

# ANUPAM KUMAR

---

## Experience

Aug 2022–Oct 2023

React Developer • Junior React Developer • Dishaayein Technology

I worked as a Junior React Developer. I also learned Back-end during my job and now I am a MERN developer. Also, I handled a three members team for six days in one project.

## Education

**C S J M University, Kanpur, Uttar Pradesh**

- I passed my M.Sc. in computer science in 2023. I have secured 67.9%.

## Communication

I have one year of hands-on work experience in React JS and +6 months in Node JS. Energetic individual with outstanding interpersonal, analytical and critical thinking skills. Poised to build valuable experience and ready to contribute to team success with administrative and project management support.

## Projects

**Dishaayein Technology** – This was my first project in the company.

**News Tech Website** – Second project/application that I developed. In this application, I write code in React JS and use API for fetching news.

**Netflix Clone** – I wrote codes for cloning Netflix using React JS and API for the college project.

## Skills
